HIGHLAND PARK HIGH SCHOOL

DALLAS, TEXAS

FOREWORD

With the purpose of commemorating the twenty-fifth year of the existence of Highland Park's Independent School System, we present this silver anniversary edition of the HIGHLANDER. Between its covers we have portrayed the passing parade of events, styles, fads, and the spirit which makes Highland Park High what it is today.

BENNETT WOOLLEY, Editor-in-Chief
JACK TURNER, Business Manager

DEDICATION

To Mr. Ogden Kidd, for his gentlemanly manner and his efficient work as business adviser of our yearbook, we, the members of the Senior Class, respectfully dedicate this volume of the 1940 Highlander.

THE BOARD OF EDUCATION

For the past twenty years the Board of Education of the Highland Park School System has had only two presidents, and no radical changes have been made. This signifies the steady, reliable policy of the Board, whose purpose is to establish in Highland Park the best schools that can be provided. J. S. Bradfield was the first president of the Board of Education and founded our present school district. He was followed in 1934 by R. C. Dunlap. Mr. Dunlap has served us faithfully and well; his outstanding characteristic is his ability to see the needs of each school and to fulfill those needs. To Mr. Dunlap and the Board of Education we give our heartfelt gratitude for "the best schools that can be provided."

CLYDE SWALWELL, President Dads Club

DADS CLUB

The students of Highland Park High School owe an overwhelming debt to the Park Cities Dads Club. Since 1932, the date of organization of this club, the unceasing efforts of its members have made possible many gifts such as loud speakers and lights for Highlander Field and instruments for the band. Our dads ask no recompense for their trouble except our increasing happiness and our appreciation. We, the student body of Highland Park High School, wish to tell President Clyde Swalwell and his industrious co-workers that we fully realize what this organization does for us, and we do most sincerely appreciate it.

MRS. A. A. ROWLAND, President P.-T. A

PARENT-TEACHER ASSOCIATION

One of the most cooperative organizations in Highland Park High School is the Parent-Teacher Association. This organization has complete charge of the management of the cafeteria, and in the past fifteen years, has donated thousands of dollars to the library. The P.-T. A. has striven always for a better understanding between the parents, the teachers, and the pupils, and it has been very successful in fulfilling its aim. It helps us to execute each new idea and each innovation introduced into the school. This year the P.-T. A., under the leadership of Mrs. A. A. Rowland, has maintained its high standards of cooperation and assistance and has been a real friend to the students.

H. E. GABLE, Superintendent of Highland Park Schools

SUPERINTENDENT H. E. GABLE

There is a man in the Highland Park school system who, for many years, has been beloved by all who know him. Mr. H. E. Gable came here as superintendent in 1920. Since then he has watched the growth of the system from one building to the five which now comprise it. An unfailing sense of humor and a great pride in his charges has endeared Mr. Gable to the hearts of teachers and pupils alike. He has been a kindly adviser, a true friend, and a driving force for the improvement of our schools. Today this bond of affection still exists, making possible a unity between leader and followers which is rarely found.

BEN W. WISEMAN, Principal of Highland Park Senior High School

PRINCIPAL BEN W. WISEMAN

The principal of Highland Park High School certainly has a most difficult task. He must see that both teachers and pupils are able to work under the most favorable conditions. He must keep informed concerning the best educational practices throughout the nation. He must maintain discipline and keep his pupils' respect and regard. He must possess tolerance and understanding that are beyond reproach. He must be the guardian of the school, its pupils, and its teachers. Our principal, Ben W. Wiseman, performs each of these duties with a conscientious effort. The favorable results of such an effort are readily perceived. As a part of Mr. Wiseman's smoothly running machine, we want to say that we are proud of him and of our school.

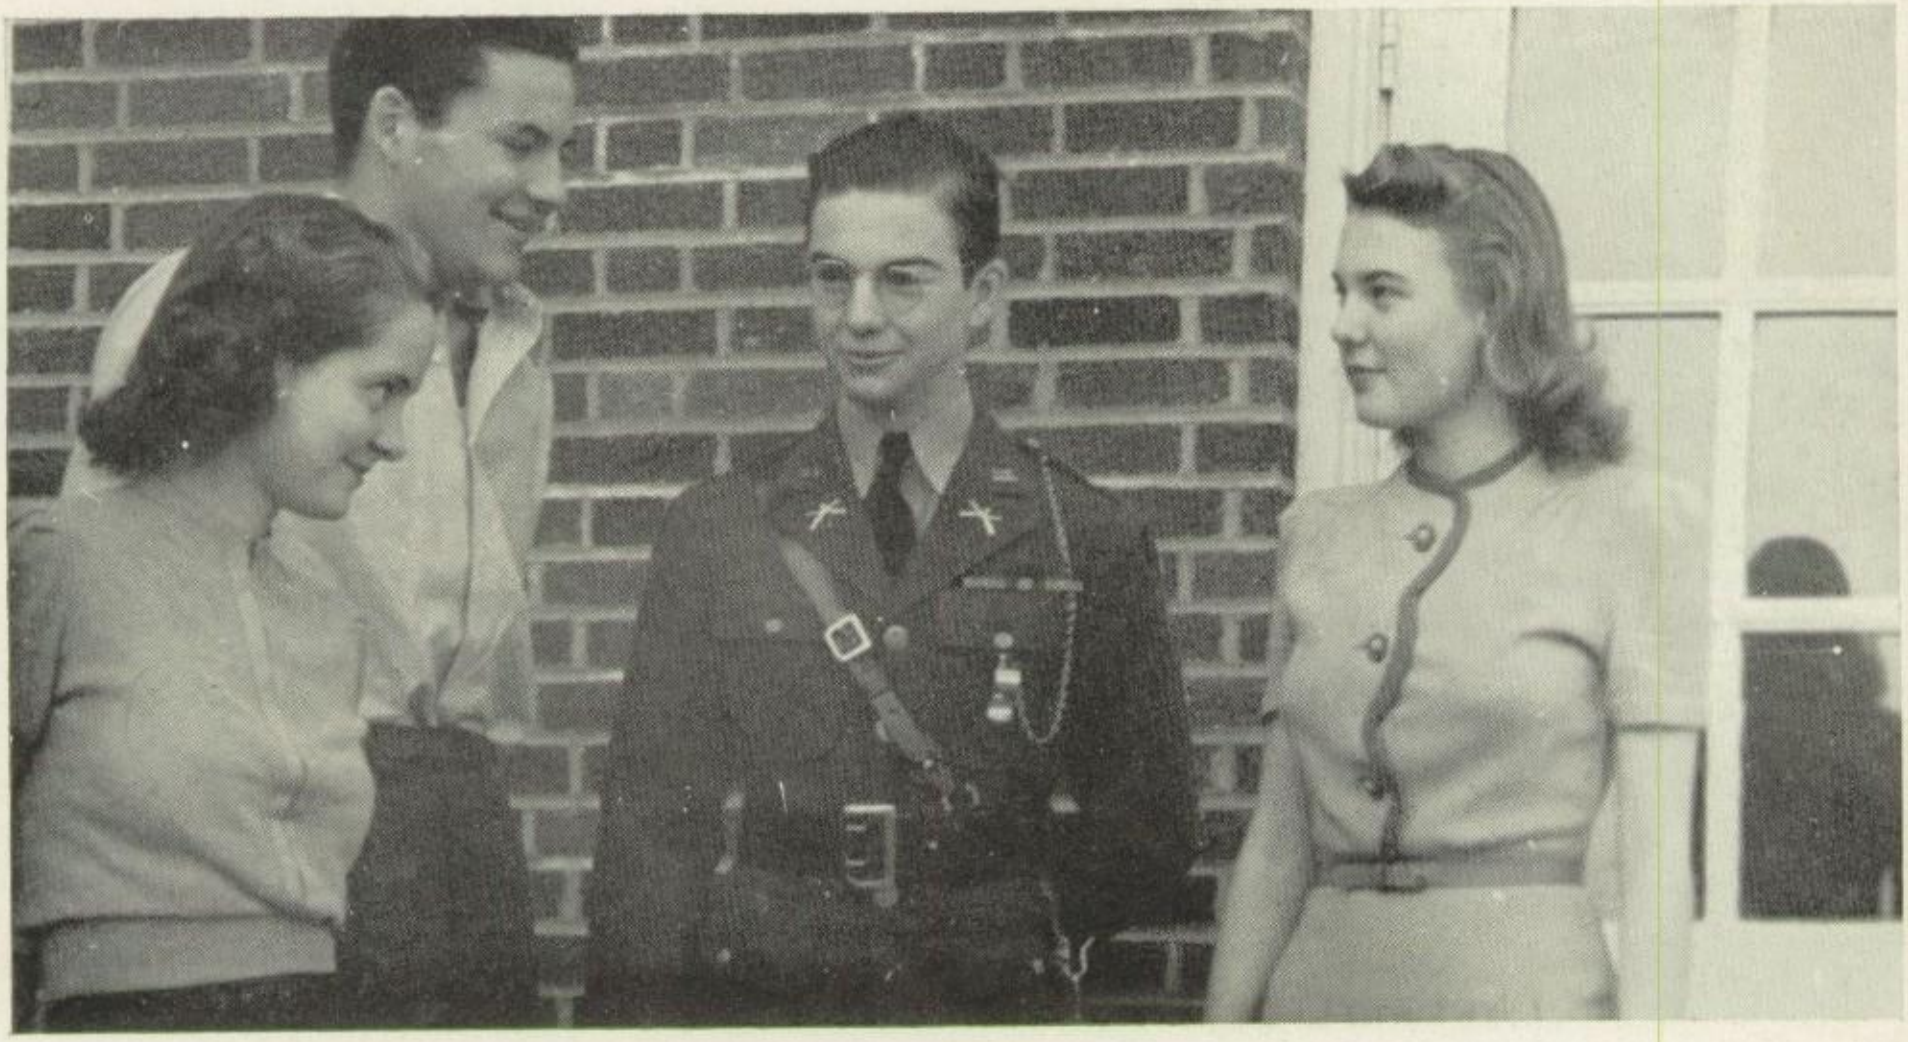
MR. BINNION, Sponsor; JANE HARGETT, Secretary; BUNKIE WATERS, President of the January Seniors (GEORGE CONNELL, Treasurer, not included).

SENIORS

Highland Park's first graduates took leave of Alma Mater 'way back in 1924. Quite a contrast is glimpsed between that handful of thirty-four and 1940's June Class consisting of about three hundred. The bow-tied boy and bobbed-haired girl grads of 1924 left in a modest way, compared with the impressive class which will fill McFarlin stage in June to receive its many honors. Later those first graduates probably went to a school party, while those of this year spend the hours at one of Dallas' ultra-modern dance spots.

The spirit of these classes is the same, however, and both left with those traditions instilled in them while in Highland Park. Those thirty-four pioneers of years ago, who received their diplomas, carried with them the same feeling of accomplishment and the same expectations for the future as do the moderns of today.



MISS FULLER, Sponsor; JAMES HEMMINGSON, President; JOHN HILL, Treasurer;
MARY RUE SPEER, Secretary of the June Seniors.

SENIORS

'Way back in 1914 A. D. Oh, yes! That was the year a great war started. It was also the year the Highland Park school system had its foundation laid.

The old timers didn't drive a sleek, stream-lined convertible with a radio in it to school. Radio was a vague term; and swing and jitterbugs were unknown. The depression and New Deal were things to come. Gals wore dresses to their shoe tops; the boys' knickers and peg-top pants were swanky. Fingernail polish was a scandal, and jazz was the thing. In those days make-up was at a premium; today it's a good thing that lipstick isn't fattening.

Hi-Park studes didn't have chromium and mirrored dance spots, talking pictures, nickelodeons, or sweet hot swing to entertain them; what did they do? Probably all right, from reports; even in those "prehistoric" times they had their moments.

The **Student Council,** which consists of a group of representative students of Highland Park High School, has for its purposes: to help maintain a form of school regulations which encourages the pupil-teacher co-operation, to contribute toward the success of a form of law and order throughout the school, and to unify the student organizations under one general control.

Aims of the Council for the school year are to provide curtains for the auditorium and to landscape the interior courts. During the year the Council has assisted in the P.-T.A. drive, the Dads' Club drive, held a special election for a cheerleader, and sold Scottie emblems during football season. It has conducted the annual Community Chest drive, the Red Cross drive, and has sponsored the sale of tickets for all charity organizations. For the first time in school history the council edited an all-school directory.

Each year the Student Council sends representatives to the annual convention of Texas Association of Student Councils.

"The purpose of the **Hi-Y** is to create, maintain, and extend throughout the school and community, high ideals of Christian character." The club, with a selected membership, gains its rank by promoting scholarship, character, and school leadership. Programs include a wide variety of subjects. Those of chief interest were physical development, college, choosing a career, developing a personality, and many others. The outstanding speakers have included Dr. J. W. DuBose, Coach Jimmy St. Clair, and Mr. James W. Aston.

Charles Schneider was the recipient of the Hi-Y key, which is presented each semester to the boy who best exemplifies the Hi-Y ideals.

Social activities this year have been standouts among school affairs. They have included an Open House, Receptions for New Students, All-School Dance, Father-Son Banquet, Mother and Son Banquet, and the Best Girl Banquet and Dance.

Welfare activities which portray the true spirit of the organization are the Thanksgiving baskets and a Christmas tree for the underprivileged children.

Some years ago the Highland Park lassies decided to form a club, **Highlights,** for all girls. The girls help each other to develop character, charm, and personality. The "Big Sister" helps the "Little Sister" make friends and live up to the objectives of the group. Where some are weak in personality or leadership, they are strengthened by being with others, by committee work, and by actually leading. The great amount of welfare work at Thanksgiving among the needy, and the fine Christmas party for underprivileged children provides plenty of opportunity for all of this.

With the plan of programs organized as a cross country trip, the club has, at its meetings and functions, "charted the way," "started rolling along," and begun to enjoy its travel. As for parties, just watch the popular "Backward Dance" and school receptions and you'll see why everyone has so much fun. By service to each other and the school, the members develop a spirit of democracy and a knowledge of themselves, due to their club, which is a "Highlight" in everyone's life.

Blanket award winners of January—Don Wooten and Patty Miller

With the record of eight successful years at Highland Park, the **National Honor Society** started out this year, its ninth, with the same guiding principles of leadership, scholarship, service, and character. Members, selected by the faculty, are chosen twice a year from the 3-A, 4-B, and 4-A classes, no one of which may contain more than fifteen per cent of the membership. National affiliation and contacts are maintained.

Accomplishments of the society are of a more lasting nature and are carried on year after year. The maintenance of individual records of achievements of each student has provided a valuable source of information.

Several social activities are held each year; outstanding among these is the annual banquet. Each year a blanket award, symbolic of the club, is awarded to the most outstanding boy and girl in the senior class.

Although **Quill and Scroll** received a charter from the National Headquarters in 1936, the chapter in Highland Park High School was not definitely organized until 1937. The Quill and Scroll is an international honorary journalistic society, and its purpose is to raise the journalistic standards of all school publications. To be eligible for membership a student must have done some outstanding literary work, must be in the upper third of his class, and be at least a junior. A pin and a subscription to a bi-monthly magazine are given each member at the time of initiation. In 1936 the club undertook the publication of the student handbook, **The Kiltie,** as its project. Editors were selected and the staff was composed of members of this society.

Pleasant work—photographing the glamour girls

As long as there have been cameras, there have been "camera fiends." But it was not until three years ago that our **Camera Club** began to function with the success it has achieved. The work of this group has been more noticeable and less noticed than that of any other. Did you know that the majority of pictures in "The Highlander" and in "The Bagpipe," of banquets, games, picnics, or dances come from student photographers?

The dark room with its modern equipment brings to light much of what goes on in the dark. The club meetings bring the members together to discuss their many "professional" problems. Another great project is realized in the picture contest each year; besides furnishing students with a good show, it furnishes winners with equipment and members with an incentive.

Remember, if you see a suspicious person walking around, watch out for stray "focal plane shutters" and "flash bulbs," because likely he is a member of Highland Park's Camera Club.

"Calling CQ; this is W5EAZ calling CQ." These and similar words may be heard at various times coming from the **Radio Club** room at Highland Park. The organization was founded in order to encourage the advancement and enjoyment of radio. In order to help its members obtain their amateur licenses, the club has many drills in code and on theory. Another way in which the members are helped to develop their knowledge is by the great speakers which are often at the regular meetings of the club. Skill is developed by operating the station maintained at the school, and someone is always figuring out a new condenser or relay amplifier to try out. This causes everyone to have mutual interest in the problems of other workers.

These brush pushers seemed overly pleased with their productions

Formerly, it may have been "Art for art's sake," but since the arrival of our small but dynamic **Art Club,** there has been more to art than that. This group, minus its "artistic temperament," has been creating an atmosphere of beauty by practical methods. The main purposes of this club are unique. It is dedicated to helping other organizations by making emblems and banners, by decorating for school affairs, and by furnishing the innumerable posters that embellish the school at intervals. But the club does not forget itself; each member carves, models, or paints, "as he sees fit" to express his creative urge.

At times all enjoy good picnics and better parties, including the annual banquet.

Have you ever heard someone say, "Let's go somewhere?" Because everyone likes "to go" and see different scenes, the representative students at Highland Park organized a **Travel Club.** The idea behind the club is to broaden interest by contacts with the customs and scenery of other countries and to give some practice in planning individual trips. The membership has grown steadily until the club is now the third largest in the school.

The programs bring many "movie talks" and illustrated lectures to the members. These and similar programs elsewhere, such as the National Geographic Society meeting, are attended by many members. While having fun in their imaginary travel, the members also have a good time at their picnics and banquet. Besides this, welfare work among the poor is done at Christmas. By these means, the club reaches its aims and enriches its members in many ways.

Museum Club officers

One of the most interesting of the new clubs to appear at Highland Park in the past year is the **Museum Club.** Mrs. Sauer, the sponsor, is hoping to promote interest throughout the school by displaying the many phases of school activity. For several years the art, biology, chemistry, history, and language departments have been accumulating material with which the Museum Club plans to build up permanent and loan exhibits and to obtain display cases for its exhibition. These exhibits will not only be of interest to all of the school, but will be useful in the work being done in our different departments. One of the projects of the club this year was a Hobby Show, which represented the varied interests of the members, and was arranged for the P.-T.A. Open House in April. Although it is one of the newest of our clubs, its membership has grown very rapidly, and it promises to become one of the largest in the school.

Rehearsal of those stars of old Hi Park

Colonel Webb entertains at a table for two

The purposes of the **Little Theatre,** sponsored by Miss Harrison, are to foster interest in dramatics by affording an opportunity to all students who are interested in acting to be in plays, to give others a chance to gain experience in doing work behind the stage, to provide plays for club programs and assemblies when requested, and to produce radio plays.

In the past few years the membership has increased so much that the Little Theatre has been forcd to reorganize and has taken the title **The Highland Park High School Little Theatre.**

During the school year the Little Theatre has produced "Drums of Onde," "New School of Wives," "Nine Lives of Emily," all of which are one-act plays, and the three-act play, "Howdy, Stranger."

Each spring the Little Theatre enters the Interscholastic League one-act play contest which is held at S. M. U.

Not a sour note in the ensemble

One of our newest musical organizations is the high school **Orchestra,** which was organized in September of 1939. Although the orchestra is rather small, the members hope to double the enrollment by next year. What they lack in numbers and members they make up for in enthusiasm. One of their main ambitions is to have a member of the orchestra represent their organization in the All-City Orchestra.

The function of the orchestra is to play at many of the school's programs. In carrying this out they have performed at several P.-T.A. teas, at a few assemblies, at commencement, and they accompanied the Choral Club in the operetta, "Iolanthe." They also played at a Christmas party given by the Highlights. The orchestra provides the members an opportunity for enjoying the "uplift" of doing something well for its own sake, and above all for the good they gain from the music they create.

Who doesn't like to go horseback riding? A few equestrian Highland Parkers began about ten years ago with this idea in mind, and the membership of the **Riding Club** has been increasing in interest and numbers yearly. Besides their weekly canters, the riders spend many fine hours riding in the evening and after a good outing, when everyone is gathered around a bright campfire, they tell horse stories and tall tales late into the night.

The skill of handling a horse well and riding surely and smoothly out on the trails gives one a feeling of great satisfaction. Instead of learning the hard way, the members take free instruction to develop their skill. The pleasures of the heart, mind, and body are combined into one healthy recreation open to everyone. Any way you look at it, riding is fun, especially in the Highland Park Riding Club.

Debaters: Val McNamee, Eleanor Mendenhall, Connie Crow, Hart Willis

Left to right: Frank Harmon, Carter Holmes, Billy Ward, Mary Jane Foster, Dorothy Timberlake, Karlie Harmon

Each year Highland Park has been represented with a fine degree of success in the **Interscholastic League** contests which are held every spring at S. M. U. This year a large group of the school notables were present and upheld our honor and reputation with the usual Hi Park spirit.

From a field of the entire school, the supermen of spelling were found to be Carter Holmes and Billy Ward. Then the teachers turned to thousands of themes and theses to find a person with a talented, easy-flowing pen. Mary Jane Foster was selected to be our able Ready Writer. Mrs. Williams supervised these eliminations.

For the declamation try-outs, over a dozen speakers and future orators presented themselves and their ideas on Americanism and Citizenship to Mrs. Neale and Miss Franch. From these, Frank Harmon was chosen from among the boys; Dorothy Timberlake was the outstanding girl, who incidentally has one League Contest to her name already. This pair captured third ranking honors.

The question for debate this year was, "Resolved, Texas should adopt socialized medicine." The teams were composed of Hart Willis, Valjean McNamee, Constance Crowe, and Eleanor Mendenhall. They competed with little fame or thanks, during the school year against "A" class teams which have regular debate classes. However, the debaters have won an average of two out of three debates. Mrs. Miller is the debate coach. The boys' team won second place honors in the district contest.

Extemporaneous speaking in charge of Miss Harrison, had only one representative, Karlie Harmon, who spoke on "Socialized Medicine." She placed third in the district contest.

Scene from "Patchwork Quilt"

Rehearsal, where production wrinkles are ironed out

This year the play chosen by Miss Harrison for presentation in the **One-Act Play** Contest was "The Patchwork Quilt," by Rachel Field. The contest was held Friday, April 12, at Southern Methodist University. As an individual actress, Dorothy Maloney placed second in a large field of competition.

The main plot of the story was the attempts of Joe and Ann, a middle-aged couple, to find a deed hidden by Mrs. Willis many years ago, so that they could sell the farm which she owned. When she was just about to remember that the deed was concealed in her cherished patchwork quilt, the quilt was taken from her.

Aspirants for fame in the Latin Tournament

The tournament's happy warriors

This year Highland Park made a very good showing in the **Latin Tournament,** which was held at the Forest Avenue High School. Those chosen by Miss Bradified and Miss Masters to represent Hi-Park in this contest were picked by elimination tests given to the "toga kids" two weeks before the actual combat.

Those chosen by Miss Bradfield and Miss Masters to represent Hi-Park in this contest were picked by elimination tests given to the "toga kids" two weeks before the actual combat.

Those mental genii emerging winners were Robert Metzger, first place individual for the first year of Latin; Sara Frances Ferguson took third place individual for the third term; and also coupled with Margueritte Allen won third place in team competition. Peggy Ann Tinker and Mary Lillian Allen placed third in the second year division. David Pines placed third in the fourth year exam and, teamed with Grace Gormly, earned another number three berth.

This year the **Bagpipe** has been more democratic than heretofore, in that the staff has made special efforts to print each student's name at least once in the news and in the gossip columns. Editors Patty Miller and Nancy Martin virtually fulfilled this campaign pledge of wider coverage, through the inclusion of approximately a thousand names, in the first eight issues of the paper.

The crowning achievement of this eighth year of publication was the mammoth Christmas issue. The second issue of "The Chanter," first school magazine, in addition to the two four-page, eight-colmun sections, made our Yuletide issue the largest eight-column school paper ever published in Texas.

For the fourth consecutive year the Bagpipe was awarded Class A honor rating at the Denton meeting of the Texas High School Press Association.

The slogan adopted by the staff symbolizes the policy of this year's work:

"The largest high school paper in Texas—
For the best high school in Texas."

FOOTBALL

Head Coach Redman Hume

Coach Redman Hume coached his fifth Highlander team this year. He piloted the team of inexperienced material to unexpected wins, and proved that fight is as important as brawn. Coach Hume, nationally known as the "Galloping Gazelle" of S. M. U., is recognized as one of the leading high school coaches of Texas. His outstanding record and work are duly appreciated by the teams which he trains and by the school he represents.

Coach Floyd Hightower, line coach of the Scots for four years, and a former Schreiner Institute athlete, took the material offered him this year with a smile, and whipped up a strong line. Although the boys are tired after one of Coach's workouts, he still stands high in their esteem, and is one of the mot popular members of the faculty.

Line Coach Floyd Hightower

HIGHLAND PARK 7 CORSICANA 37

With an opening day overflow of rooters and fighting against a heavy and veteran array of beef, the Scots opened the season at Highlander Field against the Corsicana Bengals. Hume's inexperienced lads showed remarkable fight and waged a toss-up of football battle until they tired in the second half.

In the second period the avalanche rolled from midfield with Winn's passing and Larry Wolfe's running attack to a final smash into pay dirt. Then the Tiger offense opened up and they began their scoring.

"Passer" Winn and "ball-toter" Wolfe were outstanding in their first game. Veterans Cox, Borgeson and Captain Waters sparked the line. Phil Wetterson also played fine ball.

HIGHLAND PARK 0 MASONIC HOME 25

Once again the feud between Hi-Park and the Masons was continued. This time the Scots bowed before the ball slingin' of Jack Torres, star Masonic back. The first half ended with six points edged up for the Masonic boys. Before they scored the Kilt's forward wall battered them back four times on the two-yard line.

Half over, the tired Hi-Parkers, who used only seven replacements, fought to hold back the inspired Mason eleven, who scored 19 additional points. The Scots made a decided threat in the last few minutes of play only to have the gun cut it short.

Ernest's kicking pulled the team out of some rough spots and Winn's leather slinging accounted for the majority of Hi-Park's completed passes. Waters, Wetterson and Cox played a great game on the line with Cox ably filling his guard position for another 60 minutes of play.

HIGHLAND PARK 7 FOREST 8

With Bunk Waters playing his first backfield game, the Scots came within grasp of victory, but let it slip through their fingers. Waters proved as sensational in the backfield as he was in the line, and his work coupled with Gibbons' running running formed a strong backfield combination.

Hi-Park "led" the Forestites until a safety late in the game spelled defeat. Wright, Guthrie and Neale were the giants of the line. Cox broke through the Forest center so often that he began to throw the ball away on his passes.

HIGHLAND PARK O LONGVIEW 6

Still traveling under the jinx sign, the Plaids journeyed to Longview to fork over a heartbreaker. The squad was accomanied by a trainload of rooters who helped to cheer up the fighting Scots. The Scottie line played the best game of the season and held like granite blocks play after play.

Twice in the first half Hi-Park was inside the Longview five-yard stripe. Once the ball was lost on a fumble and the second time the end of the half cut short the Highlander's scoring drive. In the final quarter the Lobos' desperation started them toward Scottie territory. After two unsuccessful attempts they shoved the decisive counter across.

Leftwich and Borgeson were the line standbys, while Martin's fullback blocking was unparalleled. In this fracas Earnest was injured and remained out of play during the rest of the season.

HIGHLAND PARK 0 SULPHUR SPRINGS 19

Sulphur Springs opened the district race for the Scotties on Highlander field and defeated the Blue and Gold 19 to 0.

Near the end of the second quarter the Scottish line broke and on the second try the Cats scored and converted. Rough going came up in the second half and up went 12 more points for the Wildcats.

Martin and Waters turned in a fine game and Cox, Neale and Guthrie were line standouts. Wetterson was continually under punts and broke up quite a few of the Wildcat plays.

HIGHLAND PARK 18 FORT WORTH TECH 0

The initial win of the season was chalked up by the Highlanders when they tromped Tech into Highlander Field. Playing a brand of ball which can't be beaten, the Avalanche rolled over the Bulldogs' team with Captain Bunkie Waters leading the way. The gold-clad boys clearly displayed their superiority over the Tech team and the line and backfield showed equally well in the smashing.

After a drab first quarter, Winn returned a punt 17 yards to the Bulldog 29-yard marker. He followed up with a pass to Waters who slashed through twenty yards for the first score.

Came the third canto—Winn drove over for the second score behind great blocking. Guard Cox recovered Worthian fumble to give Waters a ticket for his spectacular 67-yard run for the final score.

Jimmy Sells' 60-minute replacement for Edward Long was a fine piece of work and Wright was also a standout.

HIGHLAND PARK 14 SUNSET 7

Highland Park's second seasonal victory took place at Dal-Hi field when the Scots barged from behind to win. This victory gave H.P. its fourth win over the Dallas clubs against one loss and one tie since resuming the series three years ago.

The Scottish attack opened up in the second quarter and they began a drive that opened the gate for a touchdown by Waters which was called back on an offside violation. The Bisons took over on downs and attempted to boot out of danger. They were foiled by Cox who blocked the kick and Leftwich who recovered on the 2-yard line. Waters pounded across and converted to deadlock the count.

Far from ready for rest, Waters began the second drive with a 25-yard sprint. Passes advanced the pigskin to the 2-yard stripe and Wolfe plunged through a beautiful hole, opened by the line, to score. Waters sent the ball through the uprights to finish a great exhibition of play and leave the Scots very much on top of the heap.

HIGHLAND PARK 14 DENTON 0

Invading Denton with vehemence and backed by a large crowd of supporters, the Scotties rode the Broncos to a standstill. This left another district rival in the Plaid wake. It was a Waters' day and he scored every point backed to the limit by great team play.

At the first of the third Wolfe ran to the Bronc 25; Gibbons passed to Waters, who carried to the 4-yard line, and on the third down crossed and kicked for seven points. In the fourth canto Waters took a lateral from Winn to run over the pay stripe again and then took another trip across for the extra point.

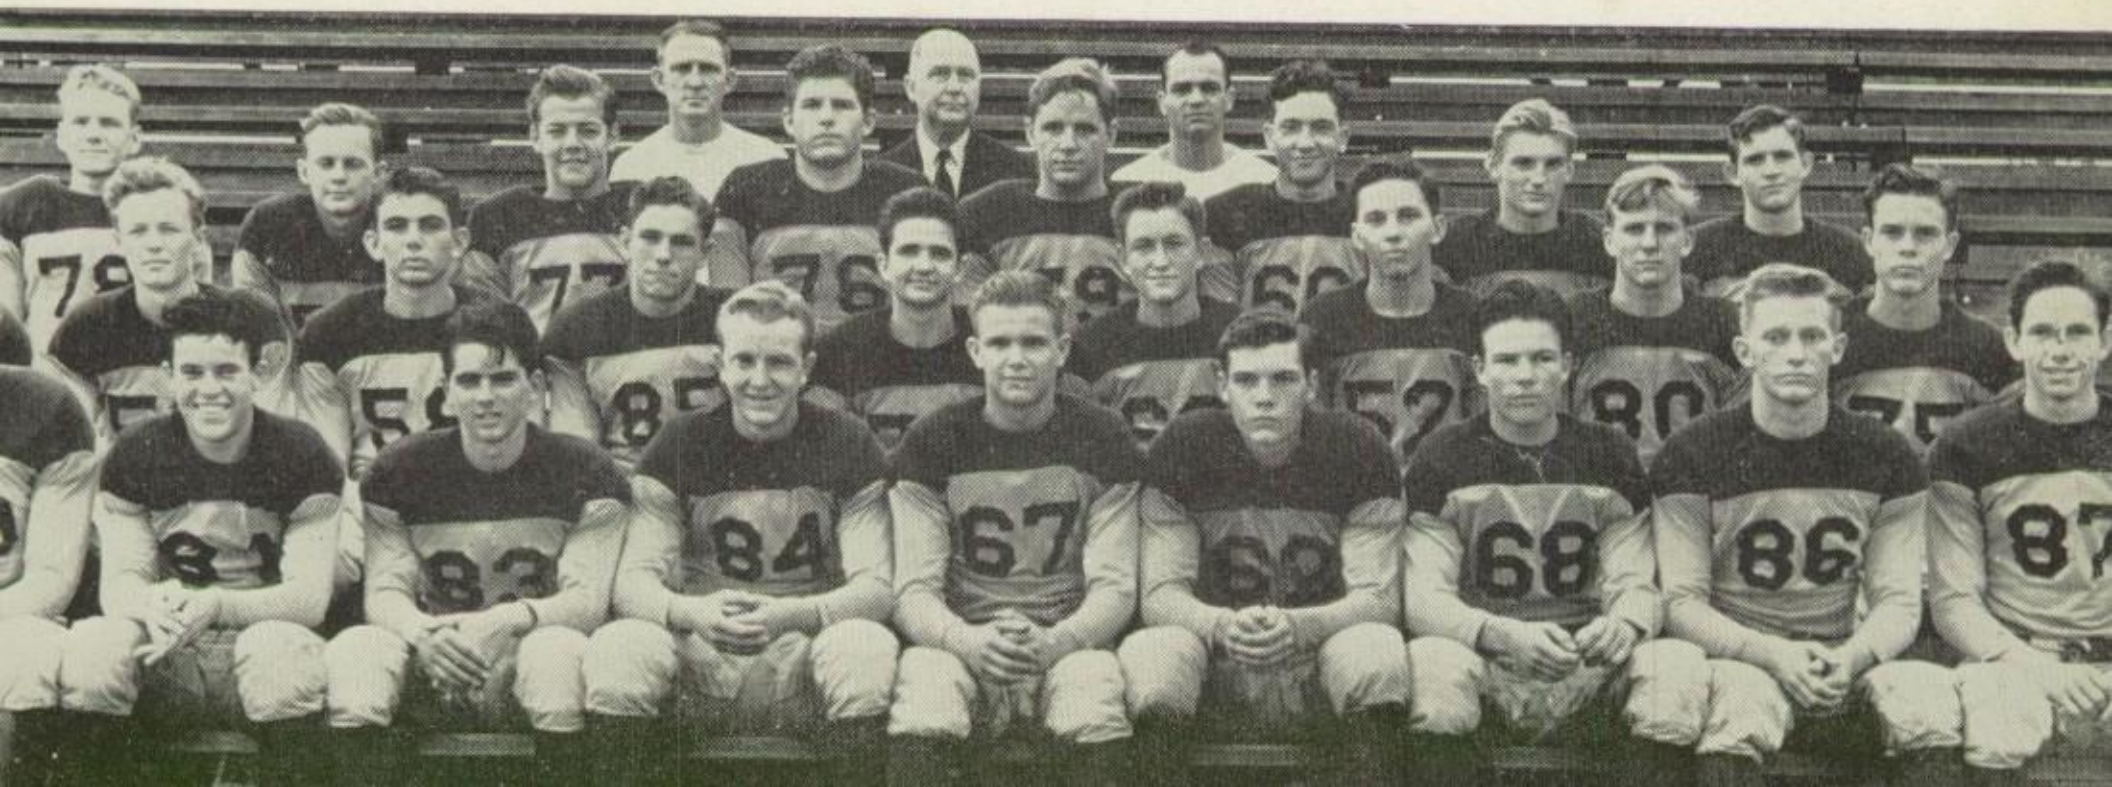
Cox, Wetherson, Neale, Guthrie and Gilmore opened the hole for the backs to score. Martin's play as blocking back and Wolfe's long runs accounted for a great deal of the 150 yards from scrimmage on the ground.

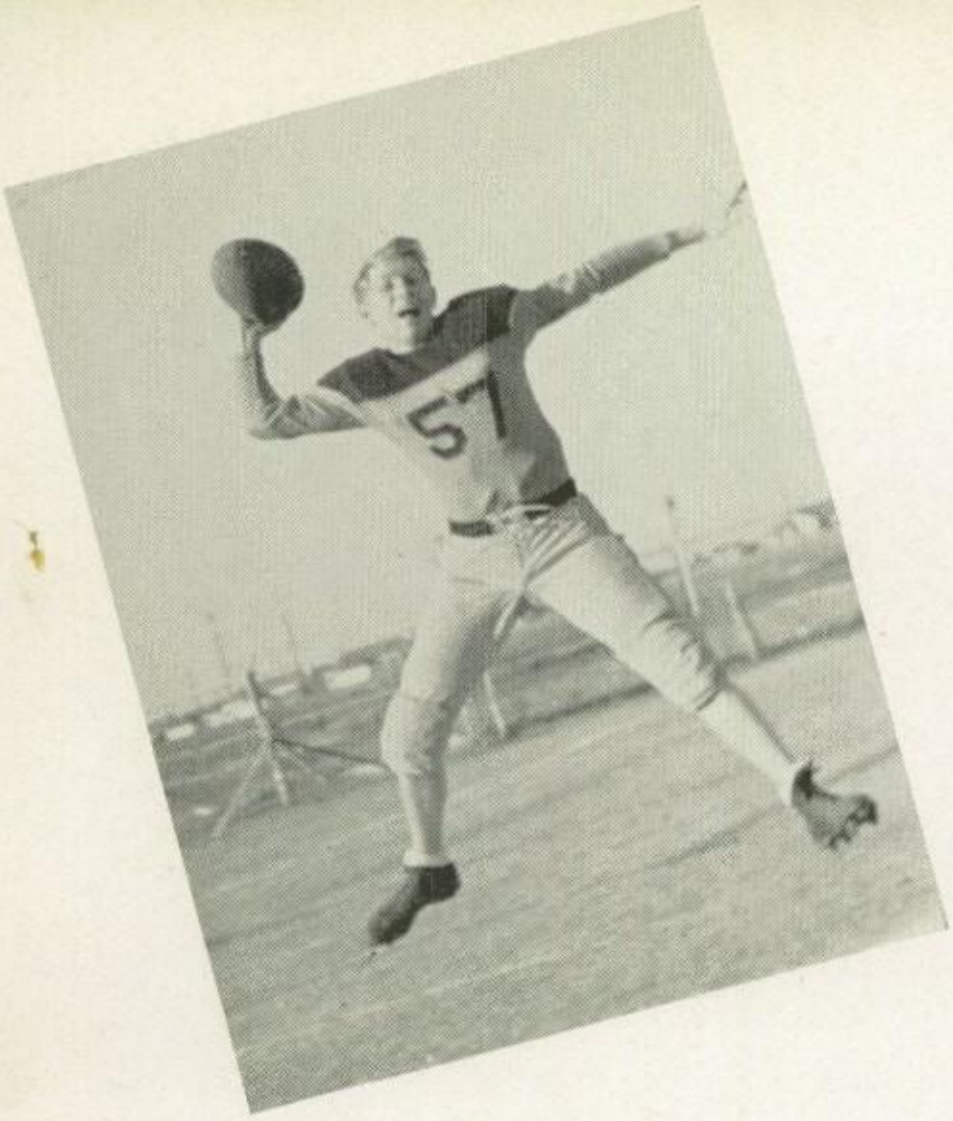
HIGHLAND PARK 13 GREENVILLE 6

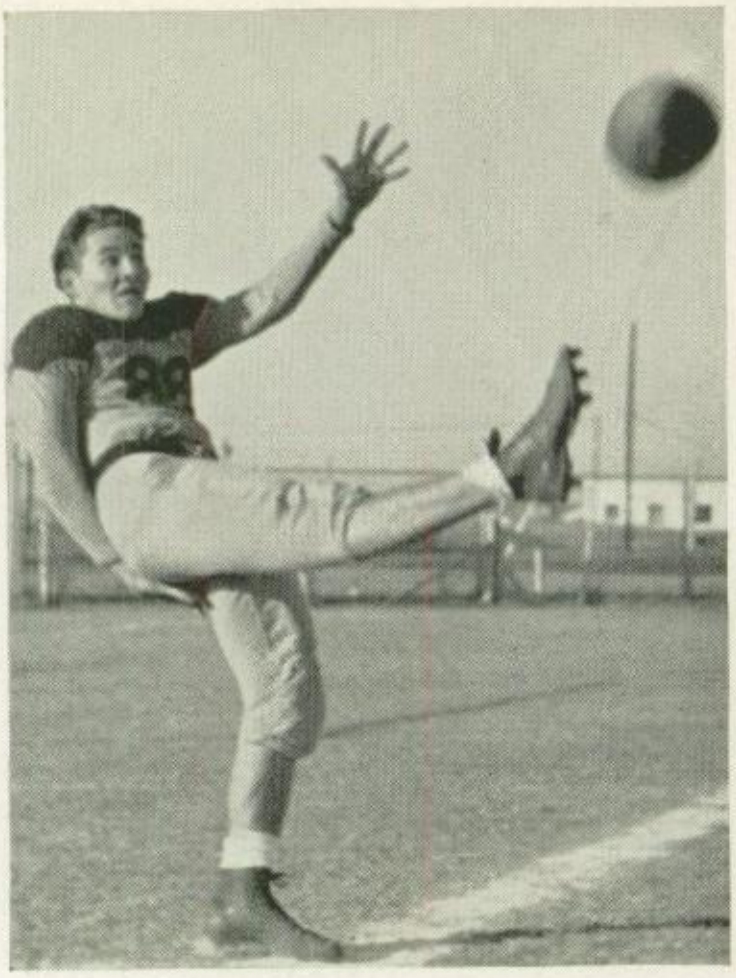
A special train crammed with Hi-Park studes followed the team to Greenville to witness the muddiest football game in years. The Highlanders out-wallowed, out-skid, and out-muddied the Lions from the starting whistle to the final gun.

Larry Wolfe took a lease on the scoring in the third with a 67-yard swim to the goal line. Waters booted the point. Later in the same quarter Wolfe and Waters started the same co-drive with

Front row, left to right: Long, Cree, Winn, Moody, Thomas, Sells, Scannell, Gibbons, Martin. Second row: Cox, Gilmore, Herman, Wolf, Ricketts, Kittrell, O'Connor, Miller, Quinn. Third row: Wright, Guthrie, Wetterson, Leftwich, Waters, Borgeson, Duemler, Neale. Back row: Hume, Gable, Hightower.







Hemmingson boots a long one

the result that Waters crossed to score. A pass for the extra point misfired.

Bunkie fumbled the soggy ball behind his own goal in the fourth and a Greenville man fell on it for the solitary counter, but they failed to convert.

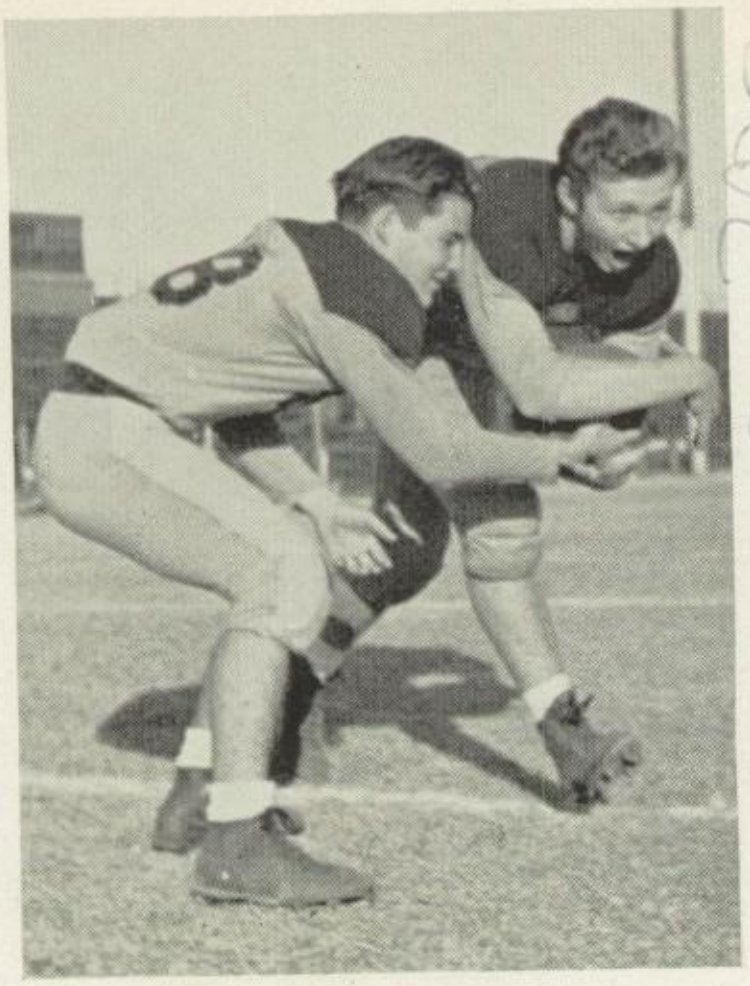
In this district win Cox barely missed the only chance he ever had to score when he recovered a blocked kick and ran 15 yards only to be pulled down.

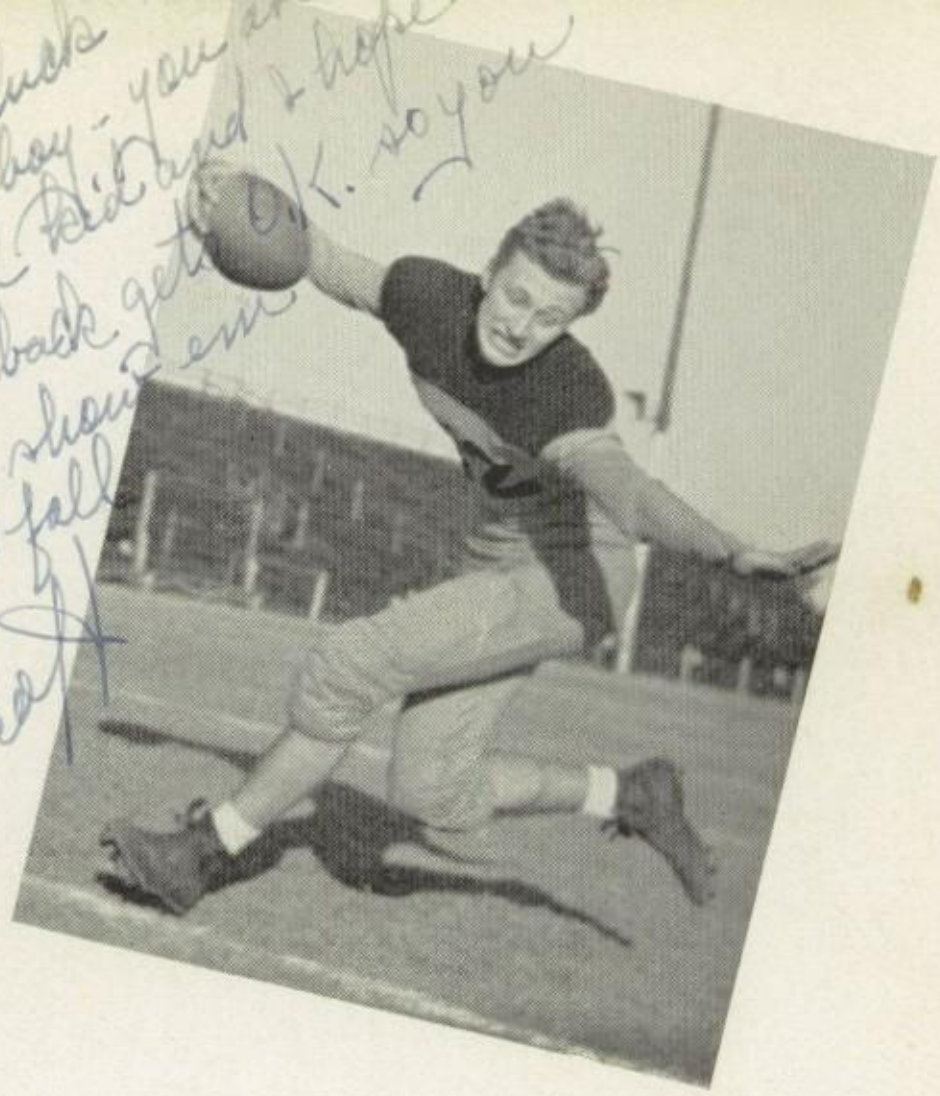
HIGHLAND PARK 0 McKINNEY 3

Highlander field made made a fine hog wallow for the Thanksgiving day fracas with McKinney's Lions for the second place berth. The battle waged back and forth evenly for the first half and into the third quarter. Then McKinney took the ball on the Blue and Gold 17. Lindsey Bowen booted the ball between the uprights for a 3-

"Hard" Connell heaves a hard one
"Power House" Waters wallows through
Wolfe sends some McKinney talent sprawling

Hemmingson's educated toe performs





How deception is born

point lead which the Leos held throughout the game.

The entire line held well and Waters and Martin carried the muddy burden for the backfield. Cox, Leftwich, Guthrie, and Long were the stars of the forward wall.

* * *

The official close of the season was the banquet at which twenty-three of the Fighting Scots received their letters. The Dero Seay award was presented to Captain Bunkie Waters as most valuable senior player. The Coaches' award went to George Cox as the best blocking lineman and Troy Martin as the "blockingest" back.

In addition, Captain Waters and Rodger Borgeson were picked for the All-District Team for the second time. Waters was picked for the Greater Dallas Tean also.

B-TEAM FOOTBALL

Assistant Coach Orr confers with Cozzo and Roessler.

To a fine boy
and certainly Mary Miller

Under the leadership of Coach Binnion, assisted by Mr. Orr, the Highland Park B-team enjoyed a very successful season, getting many boys ready for the A-team while winning one, tieing one, and losing two games.

With signs of future improvement, the Ramblers dropped the first game to Vickery-Hillcrest. The junior Scotties led 6-0 at the half, but wilted in the last half. The next game was with the Adamson Cubs, and the final score was 6-6. The third fracas of the year was against the North Dallas Bulldogs, and again the Blue and Gold went down in defeat, this time 6-20. In the final game of the year the Ramblers showed how much they had improved by gaining revenge over Vickery-Hillcrest 20-12.

The list of 1939 lettermen was comprised of Robert Anderson, John Carter, Leonce Cozzo, Dave Comly, Stanley Dolch, Tommy Flynn, John Gibson, Bob Grinnan, Virgil Hargett, John Hudson, George Jackson, Dick Lanham, Henry Maher, Alec Page, Dick Roessler, Evan Stebbins, Layden Stroud, Clyde Swalwell, George Traylor, Raymond Willie, Alan Wilkes, Don Woods, and managers, Wooten and Dale.

To a good guy,
George Jackson

BASKETBALL

Coach Ralph Binnion.
Managers Jimmy Wooten and Jim Bill Glanville.

COACH BINNION

For the past two years Ralph Binnion has led the Highlander basketball squad through unusually successful seasons. Mr. Binnion, better known as "Red" by the boys, stands high in student estimation. The entire student body wishes to express their appreciation to Ralph Binnion for the sportsmen he has produced and the victories he has won.

Last year the Highlanders won district, and this year won 16 out of 20 games. Both times Coach Binnion has begun the season with what to all appearances was unseasoned raw material. With four out of five starters veterans, up to graduation, the team cleaned up their opponents and came out on the long end of the score every time.

First Row: Richard Block, Louis Guthrie, David Neale, Charles Schneider, Felix Morga
Second Row: Edward Long, Tom Jarmon, Rusty Hollarn, Jimmy Ryan.

Rusty Hollarn sinks one.

Opening the '39-'40 season at the new Dal-Hi Field House with a victory over North Dallas, the Highlander quintet, coached by Mr. Binnion, journeyed to Waxahachie for the first out-of-town game before the holidays. During the Christmas holidays the Scots entered the Plano Tournament. After marching through the toughest opposition in this part of the state, the Highlanders emerged champs with the exciting victories over Greenville, Irving, Adamson, and over Dallas Tech by the close margin of one point in the closing minutes of the final game.

The Highlanders then journeyed to Oklahoma for a two-game series with the strong McAlester and Atoka quintets. Due to a severe snow-

B SQUAD BASKETBALL

Beginning the season with no returning letter men and under the direction of a new coach, Mr. Orr, the Highlander future basketball stars ran through a very successful season. They gained much of the needed experience to play A-squad ball by winning seven out of nine games. They lost only to the strong Denton quintet and won over Waxahachie, Vickery-Hillcrest twice, and the North Dallas B squad three times with the margin of three points in the three games.

The Scot B-squad not only had height in its pivot men, Bill Henry and Frank Trammel; hustle in its guards, Joe Bob Moore and Clyde Swalwell, but speed in its forwards, Richard Brown and Evan Stebbins. Bob Grinnan was injured during the season and was unable to play in but three games, but showed great promise in future years. The reserves of the squad not only kept regulars worried by their hustle but often broke into the line-up in the positions of the regulars.

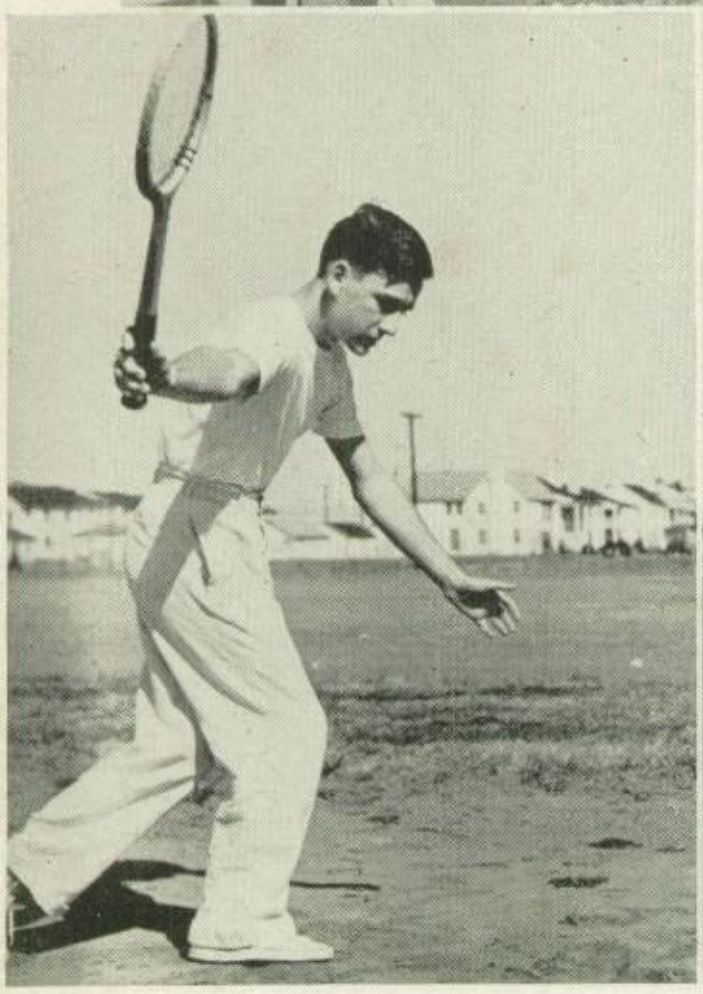
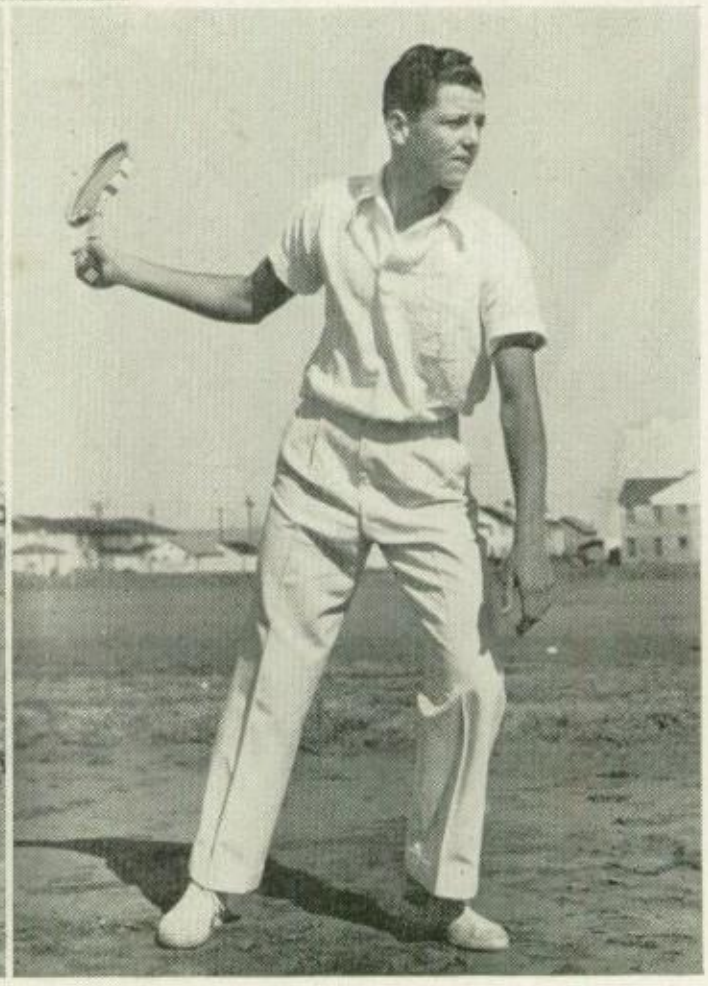
TENNIS

Bettis, singles smasher
Broad and Marshall, doubles racketeers

Triumphing in straight sets over all their pre-district opponents, the Scottie netters defeated Corsicana twice and Woodrow Wilson twice in matches played with these schools.

The team, which is coached by Mr. Harrison, is composed of Roy Bettis, a senior, who is the singles representative, and Bill Marshall and Tom Broad, who make up the doubles team. Bettis and Broad are lettermen from last year, and Broad will be eligible again next year. Both singles and doubles smashed their way into regional meet by winning in the district meet.





Bettis wielded his racket effectively enough in the regional to win a chance at the state championship. Broad and Marshall smashed out in the regional meet.

At Austin in the state contest Bettis met a better man but had already won recognition as a top flight player.

In both the spring and the fall a tennis tournament was held, and a great many "racketeers" in school participated in it.

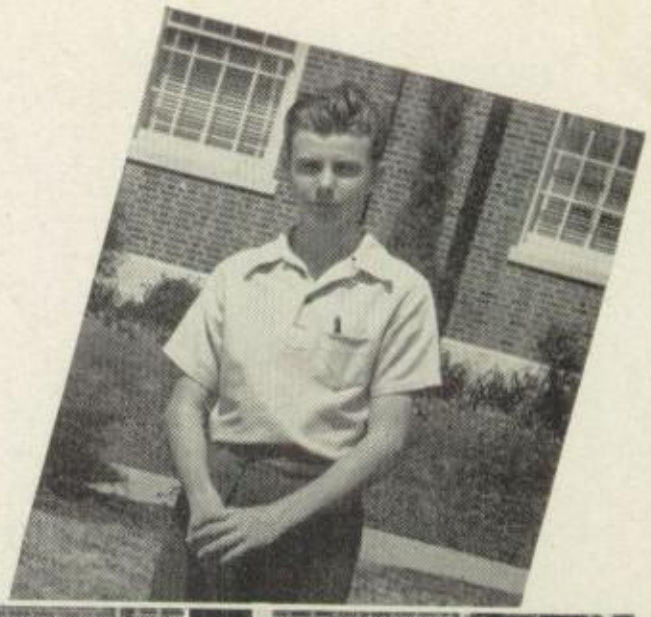
McFadden and Hirsch, intramural champions

GOLF TEAM

Our "plaid linksmen," comprised of Arthur Bell, Don Houseman, Jimmy Pryor and Tom Alexander, coached by Mr. Orr, drove themselves to numerous victories over some of Texas' other high school foursomes this season.

The Highlander foursome took North Dallas, Highland Park's Exes and Arlington, but bowed to Woodrow Wilson by a scant margin. In the Fort Worth Fat Stock Show Tournament, Don Houseman captured first honors in the approach shot and putting contests.

The annual ladder tournament, an intramural match for Hi-Park's aspirant golfers, was held this spring, and a large number of "slicers" competed. Results were not ready by press time. Mr. Bowlby's work in building up Highland Park's golf team is shining through in the excellent results achieved.



Top—Linksmen—Bell, Pryor, Houseman, Alexander

BASEBALL

Coach Marshall

As the Highlander goes to press, the outlook for 1940 baseball season is the most promising in many years. The Highlanders are rapidly taking shape and promise to form one of the most outstanding nines to represent Highland Park in the Dallas County League.

The Scots have three returning lettermen who promise to be the main plugs of the first nine. They are Captain Buddy ("Fats") Hemmingson, who is the regular second sacker and also takes a turn at pitching; Bill (Tonto) Witte, who has been shifted from the outfield to shortstop, and Arthur (Lone Ranger) Joiner, who is the star pitcher. The remaining six positions are held by Jean Patton or Felix Morgan as catcher, Tom (Bushel Basket) Jarmon at first, Louis (Gus) Guthrie at third, George Cox in left field, Bob Frymire or Dale McFadden in center, and Frank Trammell or Richard Block in right.

In the series for the northern county district championship, the Kilties defeated Grand Prairie 2-0. Due to the no-hit pitching of Joiner and the errorless playing of the nine, Grand Prairie never threatened.

Coach Hightower and the fleet of feet

Wolf, Scott, Stroud, Schrimpf
Stroud, Winn, Sells, Page, Wolf

TRACK

Led by Co-Captains Ralph Schrimpf and Larry Wolf, Coach Hightower's 1940 track team had an extremely successful season. After a few early season practice meets, the Highlander thinly-clads entered the Brady relays, in which they finished in third place. They also set new records in the mile run and the medley relay. The next important meet which the Scotties entered was the Fort Worth Fat Stock Show. The Kilties finished second in the team standing, won the mile relay, the 440-yard dash, and the 100-yard dash. In the East Texas Relays the Blue and Golds entered only three relay events, won all of them, and brought home three cups. At the Brady relay meet, Schrimpf established a meet record in the mile.

In the district meet at S. M. U., Schrimpf broke the 880-yard record. The relay team held on to its winning streak and footed it down the stretch to greatly outdistance all competitors. A relay record which was near the state record was established.

At Austin May fourth the track team piled up 13 points to win the State Track Championship.

Our mighty muscle men

H-ASSOCIATION

To be eligible for membership in the "H" Association, one must have earned a letter by representing the school on an "A" squad as a player or manager.

The purpose of the association is to further athletic progress, promote sportsmanship, and coordinate all athletics with the many other school activities

Annually the association has an assembly program in which all new letter men take part. The program is one of the most amusing of the year, and is looked forward to by the entire school, both faculty and student body.

This organization conducts several social functions such as picnics, a dance, and a stag party.

FALL	OFFICE	SPRING
Bunkie Waters . .	President	Buddy Hemmingson
George Connell	Vice-President	Scott Ernest
Don Wooten	Secretary	Rusty Hollarn
Scott Ernest	Treasurer	Rodger Borgeson

Mrs. Kuser—Coach

GIRLS' SPORTS

Mrs. Corwin—Coach

Hi Park Lassies came through the sports season of '39-'40 with flying colors in both intramural and interscholastic competition. Coached by Mrs. Norman Corwin and Mrs. Milton Kuser, the girls have had a larger percentage of players, more enthusiasm, and a more successful record than in previous years.

Tenniquoits opened the season as an intramural sport only. A "round robin" tournament was held in the gym classes and the winning team of each class played in the gym after school. This was an elimination process, and Rosemary Hemmingson was captain of the victorious team. Cake and ice cream was their reward.

The busy season of basketball was next in line, and because this was one of the most popular sports, was intramural as well as interscholastic. Two hundred fifty girls took an active part in intramural competition, and twenty-four were selected to make up the first and second teams, while eighteen, who were not on either team, received all-star awards.

The "Champs," captained by Marilou Rutledge, soared to victory as the champions of intramural basketball, and were given a chili dinner by the P.-T. A.

The A team defeated Plano "B", Carrollton, Farmers Branch, Vickery Hillcrest, Buckners, Richardson three times, Allen, Cedar Hill, and Rankin. They lost to the Hi Park exes, McKinney "B", Plano twice, McKinney twice, Allen twice, Seagoville, and Covington.

The B team won over Frisco, Vickery Hillcrest twice, Buckners, McKinney, Plano, Allen three times, Richardson, Cedar Hill, Ennis, and Palmer, and were defeated by Pleasant Grove, Murphy, Plano, Seagoville, Sourry Posser, and McKinney.

A banquet was given for the squad by the P.-T. A. after the final game, and players received their awards. At one of their meetings, the Dads' Club gave each squad member a gold basketball.

Volley ball, which was the next activity in the sportlight, was played by the same method as tenniquoits. The champion school team was the fourth period all-stars.

Mrs. Corwin and Mrs. Kuser have been able and capable coaches and have been very kind and conscientious. Is it a wonder Hi Park produces so many winners?

Betty Richards—Manager

FIRST TEAM

Mary Bryan—Manager

Jean Talley—Guard

Margaretta Moss—Forward

Eleanor Palmer, Captain—Forward

SECOND TEAM

Front row: Katherine Buckley, Marjorie Goode, Betty Bynum, Captain, Karlie Harmon.
Second row: Ann Vilbig, Louise Payne, Deborah Dealey, Ruth McCord, Eleanor Mart.
Third row: Betty Brown, Phyllis Hawkins, Laura Jean Dupree, Catharine Murphree, Anne Rinker.

INTRAMURAL CHAMPIONS

Front row: Katherine Buckley, Margaret Woolley, Marilou Rutledge, Captain, Marjorie Goode, Carol Bauman, Muriel Flynn.
Back row:: Jean Talley, Marilou Ruggles, Betty Brown, Laura Dean Dupree, Anne Rinker, Virginia Bailey.

PINK ELEPHANTS

Front row: Willie Nell Biggs, Mary Ann Mugford, Louise Payne, Captain, Natilie Sargent, Phyllis Swan.
Back row: Betty Bynum, Jeanne Bacon, Jean Snyder, Virginia Wilson, Phyllis Hawkins.

ROWDIES

Front row: Marty Prince, Alice Ann Leftwich, Captain, Carolyn Curry.
Back row: Peggy Wallace, Peggy Parker, Jane Abbott, Mary Lou Hormann, Jacqueline Brand.

OOMPH GIRLS

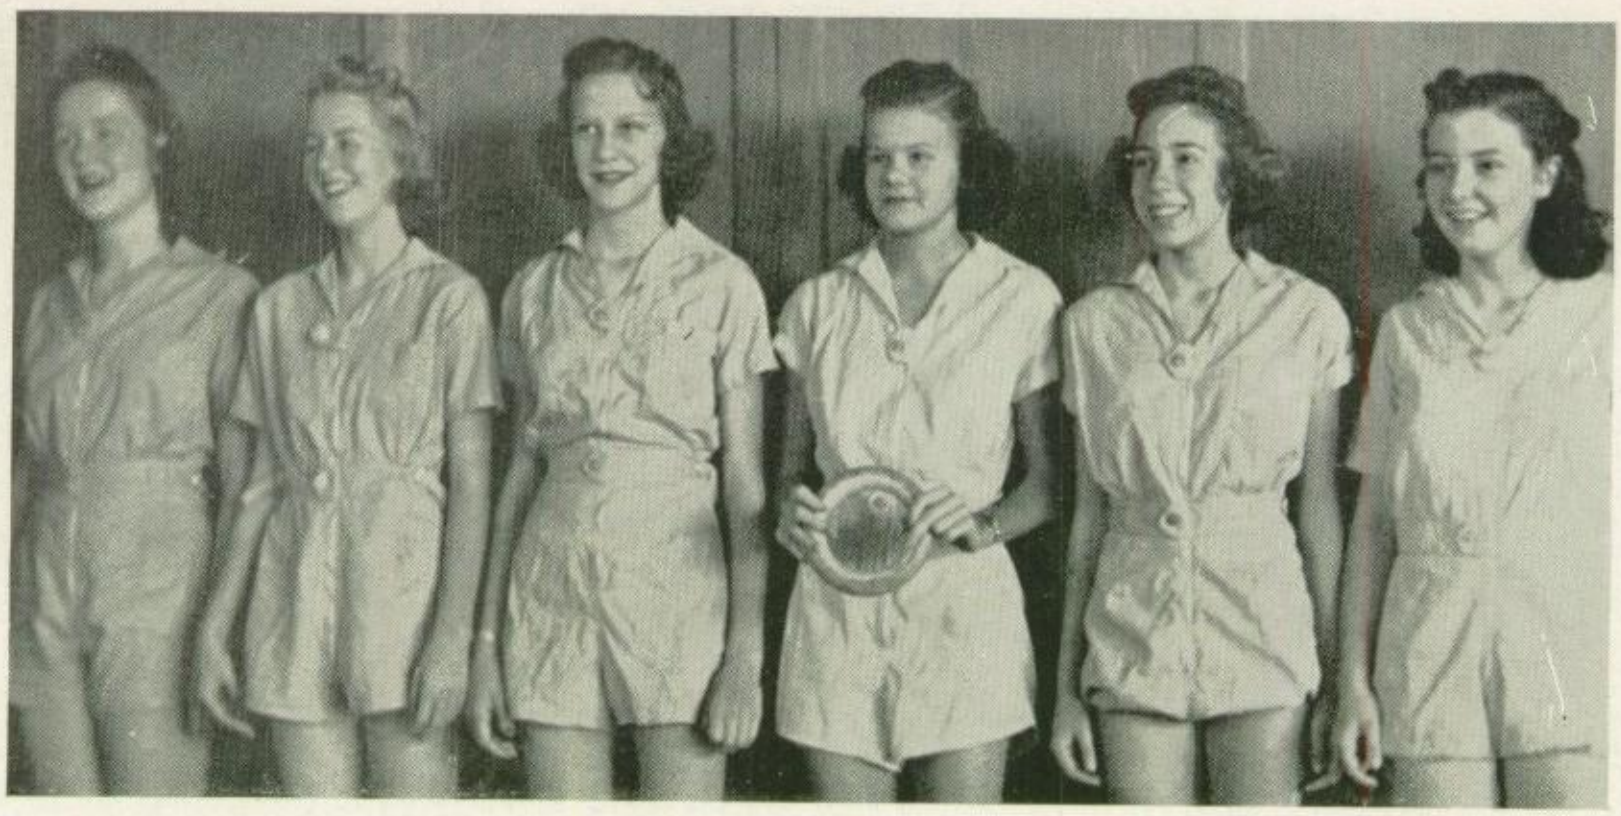
Front row: Betty Jane Carraway, Eleanor Palmer, Captain, Ann Hart, Marilyn Rudolph.
Back row: Ann Vilbig, Karlie Harman, Peggy Brice, Betty Ann Fries, Mary Elizabeth Kervin.

VOLLEY BALL

Front row: Madelon Copeland, Gay Powell.
Second row: Harriet Hawkins, Dorothy Hyde, Mary Elizabeth Sikes, Mable Joe Schrum, Jeannette Wilden.

Front row: Catherine Curry, Colleen Keilty, Evelyn Storey, Pat Hawkins, Artie Jane Heilig.
Second row: Katherine Rogers, Helen Graner, Betty Jane Sharp, Bette Lou Goetzinger, Frances Hall.

TENNIQUOIT CHAMPIONS



Left to right: Patsy Henry, Louise Dowdell, Alice Scogg in, Rosemary Hemmingson, Captain, Mary Ellen Ancelin, Mabel Fite.

TENNIQUOIT RUNNERS-UP

Front row: Ruth Verhalen, Jane Steinberg, Hattie Belle Pate, Willie Nell Biggs, Jean Sullivan.
Back row: Edith Boyett, Nancy Oldenburg, Jessie Lockett, Jean Bartholow, Teddy Hill, Peggy Sullivan.

TENNIS

Feminine racketeers of Hi Park have truly upheld the ever-popular game of tennis this year. Practice was faithfully carried on by these vivacious enthusiasts, who were coached by Mrs. Norman Corwin.

This past winter and spring there has been a ladder tournament, and the girls have advanced in this way. The six highest ones were tried out for the team.

As means of practice for the Interscholastic Tennis Meet of District 11, games were played with various schools. Bettie Sharp and Betty Ann Fries were the two singles representatives in these practice games, and Deborah Dealey, Ann Hart, Catherine Murphree, Eleanor Palmer, and Catherine Duls played as doubles. Sharp was defeated by Sunset, 2-6, 3-6, but she defeated Corsicana 6-1, 6-0. Fries' score with Sunset was 2-6, 7-7, and she defeated Woodrow Wilson 6-1, 10-8. Murphree and Hart defeated Corsicana 6-2, 7-5 and Woodrow Wilson 8-6, 6-3.

Fries and Sharp played off to determine the school representative in the District Meet. Fries defeated Sharp two out of three sets. The doubles played off among themselves and Hart and Murphree won out as the doubles team.

Betty Ann Fries
singles

Catherine Murphree
Ann Hart
doubles

In the District Meet Fries reached the semi-finals and was defeated by Adamson 6-4, 6-3. Hart and Murphree defeated Italy 6-1, 7-5, but lost in the semi-finals to Crandall 7-5, 4-6, 3-6.

Fries, Murphree, and Hart will receive letters.

WORDS

are the servants of men

Whatever man achieves arises from words; is recorded in words; is described with words. His dreams take form in words. His plans, although drawn with pen and symbolized in blueprints, are made articulate by the use of words. His greetings to the dawn and his farewells to the sunset are formulated in words. Without words his thoughts, his dreams, his hopes, his ambitions cannot crystallize. Without words he cannot command nor make entreaty; he cannot affirm nor deny; he cannot give wings to thought nor imagination.

Words are, therefore, the constant servants of men. When men have put words together to express that which others are to read, we take those words and compose them in type ready for reproduction. That is called **Composition.** By another process we prepare composition for further reproduction in newspapers by means of **Mats** or **Stereotypes.**

Our business consists, then, of doing Composition; making Mats and Stereotypes, and rendering superior service to those who shape words together for reproduction. We, too, are servants to men who make words servants to them.

Compliments of a Friend

"I Want Adventure..."

All young people want to experience adventure but ultimately discover that life itself is an adventure, whether their work is that of a doctor, merchant, lawyer, aviator, statesman, artist, or clergyman.

But the greatest and most stimulating adventure is that experienced by men and women in meeting their responsibilities to family and community . . . the adventure of being a good, upright, and substantial citizen.

Dallas—and Texas—have need of responsible young men and women, leaders of tomorrow, who can carry on the work of living, building homes, and conducting business.

It is a challenge from nature, this adventure of living—one which demands the entire resources of mind, body, and soul. By accepting this challenge in a conscientious manner, you can determine your future—and the future of your community and State.

MASTERPIECE

Tablets, Fillers and School Papers are known and used for their standard quality and uniformity, and the wide acceptance by both teachers and pupils in Highland Park Schools is evidence of MASTERPIECE popularity.

We also distribute Art and Crafts Materials, School Furniture and Equipment, and Fine Art Prints.

"ENGRAVING BY ZEESE"

Craftsmanship

~the embodiment of skill and handiwork, demands a care, a faith and a hope that can only be acquired through inherent ability, a desire-to-do and a time-proven experience. All of these requirements of craftsmanship give vivid proof of their existence in the craftsmen of the *House of Zeese* by the superiority and individuality of the finished product. ~ ~ ~ ~

The Highland Park High School

for the past twenty-five years has been contributing to the community the priceless ingredient of youth, well educated, well trained and filled with a sense of responsibility and fair play that the association with this splendid school, as it is, could instill in them. Since its beginning twenty-five years ago it has progressed with each modern advancement in education that was made but always continuing to develop a well rounded student that has typified Highland Park. It has been our pleasure to help record these years of progress and achievement of a school so fine as this.
